## **FOR HEAD ROW PRESIDENT**

### **11<sup>TH</sup> GRADE**

My name is Josh Schenk and I'm running for Head Row President. I have served on ASB for 5 semesters. This last semester, I was Head Row Treasurer. During my 5 semesters on ASB, I have learned what it takes to have a successful semester. I am 100% committed and enthusiastic to take on the job of Head Row President and with the experience that I have, I hope you vote Josh Schenk for Head Row President!

#### **APPLICABLE SKILLS / EXPERIENCE:**

- ASB experience:
  - Freshman year: Commissioner and President
  - Sophomore year: Treasurer and Representative
  - Junior year: Head Row Treasurer
- Representative on the Site Council
- Representative on Teen BHEF
- Part of WASC committee
- President of Beverly Vista
- Active on sports teams (Soccer and Baseball)
- Representative on Student Body Action Committee
- Started community service projects, including disaster relief

#### **IDEAS / PROJECTS / ACTIVITIES IMPROVING BHHS:**

Recently, ASB has been working to connect all of the different groups on campus (clubs, band, sports, madrigals, etc). This semester, I would like to continue this effort and expand it so that no group feels like they are on the outside looking in on our school's events. I would like to start competitions between clubs, where its members are encouraged to support their clubs. An event similar to color wars would be a great way to get clubs to be spirited and come together. It would also increase student participation in clubs.

For those reading, my name is Paige and I'm running for ASB President. I'm a junior at Beverly and am involved in many different school activities. I'm a member of Beverly's volleyball team, and have been on soccer and track. I am the treasurer of the Interact Club, was the VP of Girl's Learn International Club (GLI), and a member of Beverly's Link Crew. I've been both in and out of ASB since freshman year and love the class. With your support, I'd love to be able to lead ASB next semester.

**APPLICABLE SKILLS / EXPERIENCE:**

I've been involved in student council since middle school and continued into ASB freshman and sophomore year. I've had a variety of positions, from commissioner, to president, to treasurer. Having been both in and out of the class, I understand things that need to be done to make the class more effective and more beneficial to the school. I also hold a position in Beverly's Interact Club, which gives back to the community. I consider myself personable and organized, which are both traits I believe important for any school leader to have.

**IDEAS / PROJECTS / ACTIVITIES IMPROVING BHHS:**

As stated above, not being in ASB I see what ASB and ASB events look like to someone not in the class. That being said, having been in the class, I also understand the immense work that goes into each event. Unfortunately, I think most students would agree Beverly is not very spirited. To change that, I think events need to be better publicized and made known to students. Hopefully, next semester, we can make Beverly somewhere students are excited to get involved in.

**APPLICABLE SKILLS / EXPERIENCE:**  
This being my 3<sup>rd</sup> semester in ASB, I believe that I am capable of being ASB's Vice-President. Throughout my semesters in ASB, I have devoted hours to making sure all events I have ran or participated in went smoothly and successfully. Whether the event was a lunchtime activity, or the sales for candy gram, I always put forth 100% effort. I have ran and participated in numerous events such as the selling of Valentine's Day, holiday, and gradation grams, organizing teacher appreciation week, homecoming, spirit weeks, color wars, normanpaloza, fundraisers, lunch time events, blood drives, and many other events ran by ASB. My experience has defiantly prepared me for the position which I am running for, and I am confident that I will successfully fulfill all tasks brought to my attention.

**IDEAS / PROJECTS / ACTIVITIES IMPROVING BHHS:**

I believe that Beverly would be a much more enjoyable environment for students if there was more school spirit among the student body. Students should take pride in their school, and it is ASB's job to make sure that the majority of the school gets involved in the events that we run. One event that truly brings Beverly together is Color Wars; I believe by promoting and publicizing Color Wars throughout the entire Spring Semester leading to the event, it will make the games more competitive, and get more students involved. Small events such as lunchtime events every Friday, will also make BHHS a more fun environment for students.

**FOR ASB HEAD ROW VICE PRESIDENT**  
11<sup>th</sup> grade

Hi, my name is Alanna Schenk and I am running for the position of ASB Head Row Vice President. I have been on ASB for five semesters so far, and I feel that I contribute a lot to the class in order to make my peers experience at Beverly amazing! This past year, I was ASB Head Row Secretary and I helped to restructure and reshape the class in order to create the most enjoyable events and activities for the students at BHHS.

If elected, this will be my sixth semester and I will work hard to create more events that are unique to Beverly and that include all the students on campus. In the past, I have been Sophomore President, Sophomore Vice President, Freshman Treasurer, and Freshman Commissioner. Consequently, holding each of these offices has prepared me to be the Head row VP through learning the responsibilities for each position and learning how to cater to all of the different groups around school.

I have many ideas, projects, and activities for the upcoming semester such as a program we started to implement last year, but never finished where each student would put the activities they are involved in onto their lockers. This would promote both school spirit, which Beverly majorly lacks, and create more involvement in school activities. Furthermore, I would really like to clean up the school and eliminate the trash around campus, which was also an unsuccessful program from last year. In addition, I think that ASB should host more club activities on the front lawn during lunch because we did one during Homecoming week and it was very successful. In addition, on campus, I am part of SBAC (Student Body Action Committee), site council, Wasc, Link Crew, and the girls Varsity soccer team. I think that my participation in all of these groups gives me an accurate view of the students of campus and what needs to be changed at our school. Vote for Alanna Schenk for ASB Headrow Vice President!! Thank you!

Gabriel Bogner  
ASB Head Row Treasurer  
Grade: 12

Students involved in ASB are leaders, leaders who take action, strive for results, and push boundaries. Leadership is something I have exemplified in my years on this earth, starting from a young child. Since elementary school I have always opted to be involved in class leadership. In 8<sup>th</sup> grade I applied for ASB, knowing only a few coveted spots were available and only the best, brightest, and most forward thinking students would be chosen. I happen to be one of those few chosen.

From second semester freshman year, since we were eligible to run for real positions I have been taking on the role of treasurer. I have run for treasurer since freshman year and have won every time I ran. I have been able to be treasurer for each of my grades and have taken on the responsibility of our budget and finance information. It is only fitting that my next step, which I have been building for since freshman year, be head row treasurer. I have gathered information from previous treasurers and have had hand on experience in the student store and with finance, and I am prepared.

However, Head Row Treasurer doesn't only work with the money, finance and in the student store, the job of being on head row comes with much more. It means I would be one of the 5 leaders in the class that student looks up too, and that the school looks up too. With my 4 years of experience, I know how to take control, command attention, and get projects done. It takes patience, dedication, and commitment, in which I embody. I will tackle the role of Head Row Treasurer and bring fresh, intriguing ideas to a new and improved ASB.
